

To whom it may concern:

My name is Dan Cleere and I would like to comment on Proceeding 13-86. As a father of a young daughter I am very concerned that she will be exposed to increased levels of sexual content and an increased level of profanity if the restrictions on same are reduced.

Please do not loosen the regulations, if anything I would appreciate it if you would implement heavier fines for those infringing on the current regulations.

Thank You,

Dan Cleere
